2.1 The Quotation constitutes an offer by the Supplier to supply Goods and/or Services in accordance with these Conditions which shall, unless stated otherwise, remain open for acceptance for 20 Business Days.

2.2 The Quotation shall be deemed to be accepted when the Customer issues written acceptance to the Quotation (including, for the avoidance of doubt, email confirmation), oral confirmation or signs and returns the Quotation to the Supplier, at which point and on which date the Contract shall come into existence (Commencement Date).

6.4 Subject to clause 6.5, the Customer may resell or use the Goods in the ordinary course of its business (but not otherwise) before the Supplier receives payment for the Goods. However, if the Customer resells the Goods before that time:

- (a) it does so as principal and not as the Supplier's agent; and
- (b) title to the Goods shall pass from the Supplier to the Customer immediately before the time at which resale by the Customer occurs.

6.5 At any time before title to the Goods passes to the Customer, the Supplier may:

- (a) terminate the Customer's right under clause 6.4 to resell the Goods or use them in the ordinary course of its business; and
- (b) require the Customer to deliver up all Goods in its possession which have not been resold, or irrevocably incorporated into another product; and if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.

(c) If on investigation the Supplier reasonably determines that any defect in or malfunctioning of the Equipment is the result of an Excluded Cause, the Customer shall pay additional service charges in respect of the time incurred by the Supplier in making the investigation and determining the cause of the defect in or malfunctioning of the Equipment.

(d) If the Supplier's representative discovers that the Equipment is defective or is malfunctioning or has failed or is not otherwise in Good Working Order during the course of any routine maintenance, the representative will use all reasonable endeavours to repair it during that visit. If that is not reasonably practicable, the Supplier's representative shall either arrange for a further visit to complete the repair or remove or arrange for the removal of the Equipment (or part of the Equipment, if applicable) for repair off-site.

(e) The Supplier shall not be liable for any delay in providing the relevant Maintenance Service if in the Supplier's reasonable opinion it needs to remove the Equipment (or part of the Equipment, if applicable) for repair off-site and the Customer unreasonably refuses this request.

(f) The Customer shall:

(i) use the Equipment only in accordance with the instructions of the Supplier and any applicable operating manual issued with that Equipment;

(a) the Supplier shall without limiting its other rights or remedies have the right to suspend performance of the Services until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations to the extent the Customer Default prevents or delays the Supplier's performance of any of its obligations;
