

Abseil Rail System at Victoria Gate, Woking

RAIL & TRACK SOLUTION

KAYDEESAYFA.CO.UK

KaydeeSayfa are able to offer a range of abseil rail & fall restraint track solutions, for any large scale construction project. Utilising our +35 years of industry experience, our team are able to provide on time & on budget project delivery. Our expansive supply chain network enables our team to meet your project's unique specification and design needs without compromise on a large scale.

An Abseil Rail/fall restraint track solution provides a sleek and dynamic form of abseil, fall restraint, and fall arrest solutions. The system consists of an enclosed track with a traveller which runs along the internals of the track to allow for movement.
