

Roller Blind Systems at First Street Manchester

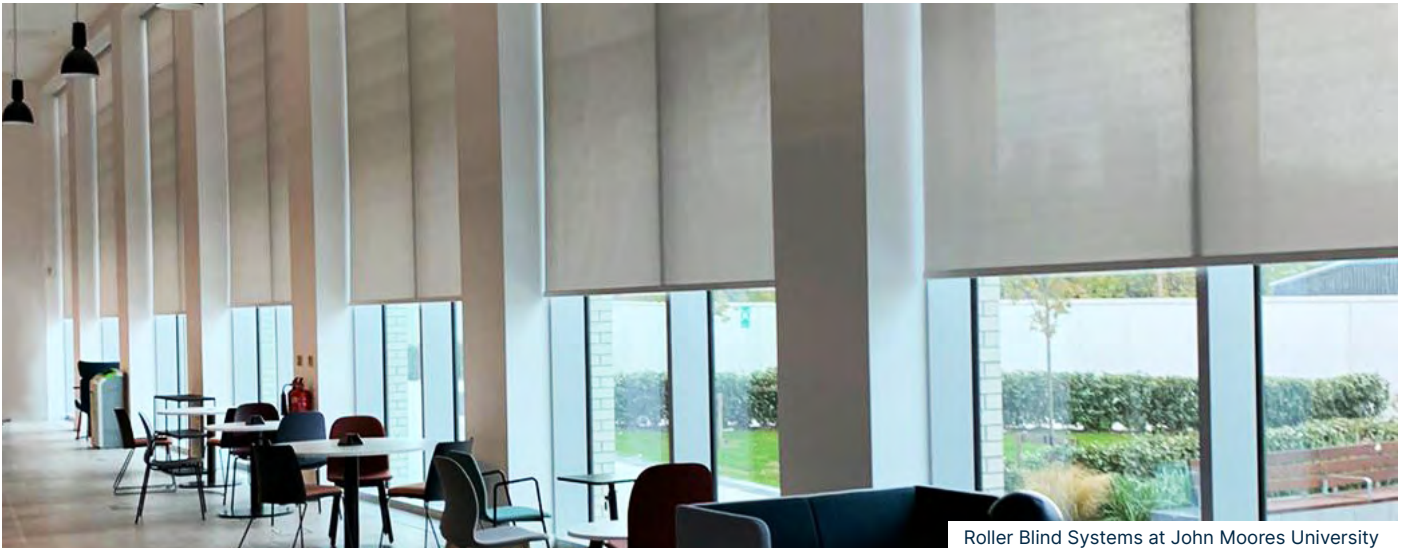

ROLLER BLINDS SOLUTION

KAYDEESAYFA.CO.UK

KaydeeSayfa are able to offer a range of roller blind solutions for any large scale construction project. Utilising our +35 years of industry experience, our team are able to provide on time & on budget project delivery. Our expansive supply chain, enables our team to meet your project's unique specification and design needs without compromise.

The durable design, flexibility, and ease of operation make roller blinds the preferred shading solution for most large scale commercial construction projects. These systems provide versatile shading solutions with a range of fabrics including screen, dim-out and blackout fabrics. The array of colour selection and textures make it a popular choice for interior designers and decorators.

- SIMPLE AND EASY TO OPERATE CONTROLS
