SKYLIGHT BLIND SOLUTION

KAYDEESAYFA.CO.UK

KaydeeSayfa are able to offer a range of skylight solutions for all large scale construction projects. Utilising our +35 years of industry experience, our team are able to provide on time & on budget project delivery. Our expansive supply chain network enables our team to meet your project's unique specification and design needs without compromise on a large scale.

Skylight blinds are one of the most impressive forms of light control. Incorporating fabric tension cables to ensure stability, these systems are able to stretch across vast apertures to provide partial or total light exclusion. The system can be furnished with a variety of dim-out and light exclusion fabrics to suit the space and interior.
