

MOBILE & TEMPORARY SAFETY SOLUTION

KAYDEESAYFA.CO.UK

KaydeeSayfa are able to offer a range of mobile & temporary height safety solutions, for any large scale construction project. Utilising our +35 years of industry experience, our team are able to provide on time & on budget project delivery. Our expansive supply chain network enables our team to meet your project's unique specification and design needs without compromise on a large scale.

Mobile and temporary height safety solutions are ideal for scenarios where the requirement for fall protection is short-term or infrequent. These system do not require roof penetration or permanent fixing, which enables a flexible & dynamic fall protection solution for those carrying out work at height.
